

Talking points:

- Making donations to the intergroup just got easier – paypal donations available through the website (dahow.intergroup.weebly.com). All donations go to support our Intergroup Service Representative attending the World Service Conference
 - Will be sending out a survey to see about changing the time of the meeting to make it easier for people to attend

IV. Old business

1. When this intergroup meeting occurs – it's not convenient for some people
 1. Discussion
 1. We'd like to make sure this meeting occurs at a time that anyone who would like to attend could attend
 2. However, we also want to make sure that the people who have trusted servant roles would also be able to attend
 2. Motion: Take a two-step process looking at our meeting time – first survey trusted servants about times they could attend, and then email the larger group of the DA-HOW fellowship with that information to see if there is another time that would work for more people – motion passed unanimously

V. New business

1. How frequently this meeting occurs – should we meet less often?
 1. Discussion
 1. Would it be likely that people would come more if we had these less often?
 2. Decided not to move forward into looking into this

VI. Next month's business:

1. Discussion of role rotation schedules
