Intergroup Service Rep: (Domingo) Representing Sunday Ways and Means meeting

He was part of the intergroup caucus but he was not able to function effectively and he resigned and someone else is going to take up that position.

There's been a lot of talk about how DA's definition of an intergroup needs to be updated. The Spanish speaking group could not be an intergroup because they are considered special interests. If a virtual intergroup forms the world service board is given permission to form, except if it's a special interest.

Someone said the DA How intergroup was closed and that we had closed on our own and took it to the chair of the GSB. What Domingo would like to do is to state what person said this and how the intergroup status got pulled out from under us. He'd like to send what he heard and said.

Andy T : Tues Thurs Voted Yes to Gender Neutral. Will vote on T.V. Tues is averaging 5 people. Thurs is 20 to 25 people each week.

Michelle: Sunday ways and means: February and March took a straw poll voted unanimous on the ballot

Pat B: 12 promises: No Information

Mary Ann: Sunday 2 pm Underearners meeting: No information attracting more people and averaging 20 people so they're able to meeting their fiscal needs and getting a prudent reserve

Old Business: (Michelle) Nothing to vote on

New Business:

Thayla would like to start a meeting. A back to basics meeting. Domingo asked if there is a format that constitutes a DA How meeting? Michelle B: She thinks we should have further discussion. That you use a DA How format. Pat B: To include in the format a list of readings. Michelle B suggested looking into other meetings to see the readings that are used.

Domingo makes a motion that a sub committee to be formed to discuss what, if any, criteria is necessary to be a da how meeting. Meeting voted. Motion Passed.
