**December 10, 2023**

Start 10:00 am

End 11:00 am

**Present:** Andy, Michelle, Domingo, M, and Dixie

**ISR Report:**

- Please remind other meetings we attend to register before 12/31/2023. It is important for several reasons, especially since we will be voting on (2) ballots in 2024.
- There is a lot of work happening to achieve clarity about the definition of an intergroup. Several service bodies are doing work that hinges on the definition of an intergroup and therefore there is work being done to get a clear definition and/or look to see if the definition needs to be adjusted to match the current state and intent of the D.A. Fellowship.

Melissa mentioned that she has stepped down from moderating the service that sends out the Intergroup meeting reminders. There was a discussion. A decision to bring up what to do with the role and the service in the new business section.

**Intergroup Representative**

Andy gave an IG rep report about the meeting he represents.

**Old Business**

**New Business**

Melissa moved to "Transfer the ownership of the DA HOW PMI announcement list to [dahowwebsite@gmail.com](mailto:dahowwebsite@gmail.com) if there is no member who assumes responsibility for this service position. The motion passed unanimously.
