

DA HOW Business Meeting Aug 14 2022

Issue #1

Domingo World Service Report

Expense Report: Underspent

Our concerns were brought up at the meeting.

WSB has a year to get back to us.

More lobbying needed

Geographical vs special interest groups.

Unclear who made the decision

Possible forming of a lobbying committee to lobby for our inter-group status.

Issue #2

Issue of allotting \$500 for any group that wants to start a Zoom meeting.

The person who brought it up was not present and it was stricken from the meeting.

Issue # 3

Question of what are we if we are not an intergroup then what are we?

We need to discuss this further.

Form a committee for further writing to get all members thinking about what is intergroup.

**Business for next meeting:**

1. Forming of a lobbying committee to lobby for our inter-group status.
